Notes: 1. The upper figure is the value of orders received in the month, and the lower figure is the cumulative total.
 2. The monthly figures for June, September, December, and March are published concurrently with the releases of its quarterly financial statements.
 3. For construction projects for which orders were received in or prior to the previous fiscal year, changes in monetary figures due to contract amendments, etc. are reflected via adjustment to the figures for orders received in the present fiscal year.

- Notes: 1. The upper figure is the value of orders received in the month, and the lower figure is the cumulative total.
 2. The monthly figures for June, September, December, and March are published concurrently with the releases of its quarterly financial statements.
 3. For construction projects for which orders were received in or prior to the previous fiscal year, changes in monetary figures due to contract amendments, etc. are reflected via adjustment to the figures for orders received in the present fiscal year.
 4. The amounts for environmental and social infrastructure orders received in September and October 2009 are negative figures, due to the cancellation of some construction work ordered in previous fiscal years. Net sales and income related to this cancelled work are not included in the forecasts for the current fiscal year.
