Proposal 4: Revision to the Restricted Stock Compensation Plan for Directors

1. Reason for Proposal

The Company received approval for the introduction of a Restricted Stock Compensation Plan (“the Plan”) under the “Resolution on Establishment of a Plan for the Granting of Restricted Shares to Directors as Remuneration” at the 65th Ordinary General Meeting of Shareholders held on June 21, 2019 (the “Original Resolution”). We have introduced the Plan targeting our Directors (excluding Outside Directors).

At this time, in order to further enhance value sharing with shareholders, and taking into account the increase in the Company’s stock value due to rising stock prices, the Company proposes to partially amend the content of the Plan approved under the Original Resolution as follows, revising the annual amount of monetary compensation claims to be paid to eligible Directors for granting “Performance-linked Restricted Stock” under the Plan.

Note, if Proposal No. 2 “Election of Thirteen (13) Directors” is approved as proposed, there will be seven (7) eligible Directors (excluding Outside Directors and non-residents of Japan) at the conclusion of this General Meeting of Shareholders.

Furthermore, regarding this proposal, based on our policy for determining the content of officer compensation, etc., the Board of Directors has determined this to be appropriate after consulting with the Compensation Committee, which consists of five (5) members including two (2) internal Directors and a majority comprised of three (3) independent Outside Directors, with an independent Outside Director serving as the chairperson.

2. Content of the revision

The content of the revision is as follows.

There are no changes to the content of the Original Resolution other than the revision below.

Upper limit on the amount of monetary compensation claims to be paid to eligible Directors for granting “Performance-linked Restricted Stock” under the Plan

Current	Proposed Revision
Up to ¥50 million per year	Up to ¥80 million per year

Proposal 5: Revision of Compensation Amount for Audit & Supervisory Board Members

The current compensation amount for the Company's Audit & Supervisory Board Members was approved at the 55th Ordinary General Meeting of Shareholders held on June 23, 2009, with an annual limit of ¥80 million, which has remained unchanged until now. However, due to significant changes in economic conditions, the increase in responsibilities and expected roles of Audit & Supervisory Board Members, and the need to continue securing personnel who have appropriate and diverse expertise, the Company proposes to revise the annual limit on the compensation amount for Audit & Supervisory Board Members to ¥100 million.

Note, if Proposal No. 3 "Election of Two (2) Audit & Supervisory Board Members" is approved as proposed, there will be five (5) Audit & Supervisory Board Members at the conclusion of this General Meeting of Shareholders (including three (3) outside members).

Current	Proposed Revision
Up to ¥80 million per year	Up to ¥100 million per year
