

DeClout Pte. Ltd. Participated in Singapore-Industry Scholarship (SgIS)

EXEO Group, Inc. (head office: Shibuya-ku, Tokyo; Tetsuya Funabashi, President; hereinafter "the Company") held an awards ceremony for the Singapore-Industry Scholarship (SgIS) program, in which our subsidiary, DeClout Pte. Ltd. (hereinafter "DeClout"), has participated as a sponsor company since 2018. Vesmond Wong, CEO of DeClout, attended the ceremony and presented SgIS Awards to winning students in 2022.

Sponsor companies provide scholarships to students who wish to participate in this program. Selected students strive to develop their core skills and competencies through internships at sponsor companies and other programs. After graduation, they can select to start their careers at the sponsor companies.

DeClout will continue this initiative and contribute to the development of the next generation of leaders.

SgIS award ceremony in 2022

SgIS is the only multi-industry scholarship in partnership with the Singapore Government, offering Singapore Citizens scholarships at different stages of their university education, locally and overseas.

Organizations from various industries participate in the program. They are strongly interested in human resource development and groom the next generation of leaders, developing their core skills and competencies, through internships and professional development.
