Humanitarian Support to Children Forced into Internal Displacement due to the Ukraine Conflict

The EXEO Group, Inc. (head office: Shibuya-ku, Tokyo; Tetsuya Funabashi, President) has decided to donate 10 million yen as humanitarian support to children forced into internal displacement due to the Ukraine conflict.

Through the United Nations Children's Fund (UNICEF), this donation will go to supporting the educational environment of children forced into internal displacement in Ukraine by distributing laptops and tablets so that they can attend online classes at their current locations.

In accordance with our Group purpose "Bring the benefits of connectivity to all," we will continue to work to build social infrastructure and create value so that no one is left behind. We sincerely pray that the emergency will come to an end as soon as possible and that the world will become peaceful and safe once more.
