January 20, 2023

Acquired All Shares of Singapore-Based IT Managed Service Provider Telistar Solutions

EXEO Global Pte Ltd (head office: Singapore; Fumitoshi Imaizumi, President; hereinafter "EXEO Global"), a subsidiary of EXEO Group, Inc. (head office: Shibuya-ku, Tokyo; Tetsuya Funabashi, President) which controls business operations in the Asian region, has acquired all shares of Telistar Solutions Pte Ltd (hereinafter "Telistar"), an IT managed service provider based in Singapore, as part of its efforts to strengthen its overseas system solution business.

After the acquisition of Telistar's shares, EXEO Global will strive to bolster its business in the area of IT managed services through the solution provider, which has earned the trust of governmental, educational, financial and medical institutions, major retail brands and others.

With the aspiration to be the leading company in the domain of IT managed services in the Asia-Pacific region and elsewhere, EXEO Global will utilize technologies accumulated over many years, its extensive human resources and synergies with the existing refurbishment business to help customers' businesses enjoy high-quality IT managed services at low costs.

For the Group Purpose, which reads "Bring the benefits of connectivity to all," the EXEO Group connects a wide range of engineering through innovation in a constant attempt to achieve continuous growth based on value creation. In so doing, it aims to remain a corporate group that is needed not only in Japan but in global society.

- **About Telistar**

Telistar is a Singapore-based provider of innovative IT-centered services and IT managed services established in 2007. It offers effective operations for improving the profitability, productivity, efficiency and management of organizations.
